United Way of Southwest Alabama Service Area

This publication recognizes United Way of Southwest Alabama’s leadership donors and workplaces that create effective change in Choctaw, Clarke, Mobile, and Washington counties. On behalf of the lives positively impacted, UWSWA extends its deepest thanks to our Leaders in Giving for selflessly investing in our community.

DISCLAIMER: Donor information was based on UWSWA’s donor records up to August 1, 2018. We apologize for any omissions or inaccuracies. Please contact UWSWA with any corrections at (251) 433-3624.
GIVE. ADVOCATE. VOLUNTEER.

The United Way of Southwest Alabama’s 48 partner agencies provide services in four counties – Choctaw, Clarke, Mobile and Washington. These partner agencies serve as our communities’ safety nets because of the services they provide to our neighbors, friends and family members not only in their times of need but daily. The partner agencies provide a holistic approach to providing services through partnering and collaborating with each other, local and national businesses, local governments, school systems, plus state and federal agencies. They understand the importance of working on the collective goal of strengthening our communities, so that the people in need can have better lives and so that business and industry can have a sustainable workforce.

GIVE.

Giving begins with Leadership. When Leadership supports United Way, employees’ contributions increase - reinstating the ask of an hour per month from employees, encouraging 100% participation without coercion, encouraging employee advocacy and volunteering, and having new employees and retirees complete pledge forms to start or to continue contributions outside of the campaign cycle.

ADVOCATE.

Advocacy provides a voice for those who do not have a voice. Advocacy involves informing and educating the public and elected officials on specific issues that affect our communities; being a voice for the impact issues have on our community and the people to whom our partner agencies provide services; and providing data, outcomes and solutions for the issues that our neighbors, friends, and family face.

VOLUNTEER.

Volunteering works to create a more just society and encourages civic responsibility, participation and interaction. It strengthens communities and responds to human needs. Volunteering creates ownership of the community, its assets and needs among the people who live and work here. Volunteering creates relationships at the institutional and personal level that are a vital part of the fabric of our communities.

"Thank you for your continued support of the United Way of Southwest Alabama. It is critical that all of us support the United Way both financially and with our time and talents, so that together we fight for a stronger Southwest Alabama. The support you give enable us to address problems locally and to implement solutions that will have long lasting positive outcomes that strengthen individuals and the entire community.”

Charles E. Hyland, Jr.
2017 Board of Trustees Chairman, United Way of Southwest Alabama
Director, Mobile Area Water & Sewer System

Through giving, advocating and volunteering with the United Way of Southwest Alabama, YOU not only change lives, but YOU save lives.

PLEASE GIVE, ADVOCATE, and VOLUNTEER.

Every effort was made by United Way of Southwest Alabama to ensure the listings were accurate. We apologize for any omissions or errors.
Early in 1926, Miss Elizabeth Fonde, Mrs. Lelia Hall, and Mrs. Corinne Wilson expressed to the President of the Mobile Chamber of Commerce, Mr. J.L. Bedsole, their concern regarding the need for a community-wide fundraising campaign. Mr. Bedsole suggested the formation of a Community Chest in October of 1926 and was appointed Chairman of the Community Chest of Mobile County. Over the years, the original Community Chest evolved into United Way of Southwest Alabama.

Membership in the 1926 Society is reserved for our most generous benefactors and complements other recognition societies to which a donor may belong. Once a donor has given a cumulative total of $25,000* to United Way of Southwest Alabama, they will be recognized with lifetime membership. The society was named for the year United Way of Southwest Alabama was founded and the giving circles are named in honor of the four pioneers who brought about its creation.
